

# Share Your DekTek Tile Project!

The world is our oyster, so let's make it as lovely as we can! We invite you to share photos of your beautiful DekTek Tile decks and outdoor living spaces with us so we can share on our website & social media pages.

As a homeowner, you know how helpful it is when you are shopping around and see a good visual with pictures of the product, especially along with a review. It makes all the difference! Please visit [dektekile.com](http://dektekile.com) and click (Inspiration Tab) to share your pictures and DekTek story with other potential customers. Thank you!

## Share with the World...Connect with us!

If you're into social media, like and follow us online. We also invite you to share pictures of you and family & friends enjoying your DekTek Tile deck on our social media pages!
